[redacted]

This office has just received a legal opinion on the project for landscaping the [redacted] This opinion states that it would require a special act of Congress to permit landscaping, as such.

STATINTL

STATINTL

[redacted] is still inquiring into the possibility of getting funds for the planting of trees under some other justification; but meantime it has been suggested that you contact the local Agriculture or Soil Conservation representatives in Los Angeles to explore whether they could assist in setting out trees for you.

Sincerely yours,

[redacted]  
Deputy Chief, FBIB
